Course Outline

This package includes these courses

- Premiere Pro Bootcamp (18 Hours)
- Premiere Pro Advanced (12 Hours)
- After Effects Bootcamp (18 Hours)
- Cinema 4D in After Effects Bootcamp (18 Hours)
- After Effects Advanced (18 Hours)
- Adobe Audition (6 Hours)
- Video Editing Portfolio Bootcamp (15 Hours)
- Motion Graphics Portfolio Bootcamp (15 Hours)

Premiere Pro Bootcamp

You'll learn how to organize and import footage, exporting options, how to use the Timeline, create titles, work with PSDs, use audio tracks, and more. Then, we'll dive into more advanced features including multicam editing, color correction, speeding up footage, and stop-motion loops. By the end of the course, you'll be able to add Adobe Premiere to your design repertoire, and you'll have some portfolio-worthy projects under your belt.

Premiere Pro Advanced

Learn more advanced editing techniques with Premiere Pro in this hands-on class and kick your video editing skills up a notch. Create custom transitions, light leaks, and other visual effects. Work more with audio, edit action sequences, and work with vertical video.

After Effects Bootcamp

Get comfortable with After Effects by creating standalone videos, animations, special effects, animated titles, and more. Make professional videos for web and TV broadcast in no time at all.

Cinema 4D in After Effects Bootcamp

- Create 3D models using Cinema 4D Lite
- Learn about and work with animations
- Integrate with After Effects to render 3D projects

After Effects Advanced

In this intermediate/advanced After Effects course, we'll master motion graphics workflow to create advanced projects, from initial design to final delivery.

Adobe Audition

- Understanding Sample Rate, Channels, and Bit-Depth
- Restore and master damaged audio
- Noise Removal & Audio Mixing
- Add Voice Over, Music, and Sound FX (Effects)
- Waveform vs. Multi-Track Editors & Destructive vs. Non-Destructive Editing

Video Editing Portfolio Bootcamp

This hands-on, individualized course will take your current software and video editing skills to the next level. You'll learn the principles of video editing and the best practices to create unique videos from concept to completion, resulting in portfolio-worthy projects to show potential clients.

Motion Graphics Portfolio Bootcamp

Learn the essential motion design concepts from a leading motion graphics professional who has produced animations for a wide range of clientele including CNBC, Nickelodeon, and Cartoon Network. You'll walk away with an impressive portfolio to show prospective clients.
